

A wide-angle landscape photograph of a mountain range. The foreground shows a lush, green hillside. The middle ground and background consist of multiple layers of mountain ridges, with the distance becoming increasingly hazy. In the upper right portion of the sky, a large flock of birds is captured in flight, their dark silhouettes contrasting against the pale, overcast sky. The overall mood is serene and natural.

MOUNTAIN TOWN

Rediscover life

There is a life waiting for you, a life of peace and tranquility.

Venture out into the mountains of Cebu and disconnect from the city. See and explore the beauty of nature in a masterplanned community that redefines outdoor living.

This community is the perfect setting for your many passions.

It is a place to recharge, renew, and refresh the spirit of discovery in you. A lifetime of wonder awaits you.

Rediscover it in Foressa Mountain Town.

Find Sanctuary in Balamban

Foressa Mountain Town sits along the peaceful mountains of Cansomoroy, Balamban, just 90 minutes along Transcentral Highway from Cebu City. It is set within more than 250 hectares of natural terrain, mountains, sloping hills, and rivers to explore and experience.

Redefining Outdoor Living

Foressa Mountain Town offers a community that values adventure and relaxation. Here, you can build a home and make wonderful new memories with your family and friends, set against the backdrop of the great outdoors.

Welcome to the Great Backyard

At Foressa Mountain Town, nature is the amenity. Out of more than 250 hectares, half is left untouched as natural open spaces.

Discover over 800 species of trees and foliage and 600,000 square meters of protected riverside areas. The mountains are your very own backyard to share and explore together with friends, family, and neighbors.

Trails

Pursue health and wellness in the great outdoors through different breathtaking hike and bike trails varying in difficulty for beginner explorers up to seasoned adventurers.

Nature and Forest Reserves

Tone down and take in the beauty of nature as it comes by going camping. Exercise your freedom to run, fly, read, linger, create, craft, share, and express; all in the comfort of the peaceful vicinity of nature.

Foressa: The Mountain Paradise

AboitizLand's track record of developing trailblazing communities in its 22 years in Cebu only proves their commitment to nurturing families through its vibrant developments.

For Foressa Mountain Town, AboitizLand collaborated with US-based firm Duany Plater-Zyberk & Company (DPZ), thought leaders of New Urbanism. It is a design concept that promotes walkable neighborhoods and sustainable planning. Helping to realize the vision for Foressa are SC&A Architects (masterplanner) and Greenstrat (trails system). With Foressa, AboitizLand believes that your family deserves an excellent investment that values quality life.

Amidst the scenic mountainside and the greatness of the skies, feel right where you belong at the comfort of your own home. Here at the very land that nurtures life, every corner is an adventure to explore, every trail is a path to exploration, and every day is a beautiful story to unfold.
